Re: CEU's

Dear Mr. Ferwerda,

The New Hampshire Board of Natural Scientists ("Board") has received your letter dated August 23, 2021, regarding the amount of CEU's Certified Natural Scientist licensees must complete in order to renew. The Board does empathize the difficulty that the pandemic has brought upon its licensees over the past 18 months or so; however, the Governor's Emergency Stay at Home Order ended on June 11, 2021 and whereas many CEU's can be obtained in person as well as online. Therefore, pursuant to Soil 403 of the administrative rules <https://www.oplc.nh.gov/board-natural-scientists>, the full required amount of CEU's must be completed prior to the licensee's renewal.

Sincerely,

A handwritten signature in black ink that reads "Damon E. Burt".
