

**NHANRS Annual Dues Renewal Reminder - 2022**

December 27, 2021

We wish you a happy and prosperous New Year!

It's time to renew your membership for 2022! Your membership and participation in NHANRS is very important to the future of your organization. The NHANRS Board acknowledges that the past year and half has been challenging, and that outwardly, NHANRS has not offered as many benefits to you as prior to the pandemic. However, behind the scenes, the NHANRS Board has been working diligently for a successful 2022.

In addition to planning the 2022 Annual Conference and developing workshops for the new year, we have been working on the website. While still a work in progress, the new website now includes fillable membership forms, online payment options for dues and workshops, and a current, searchable Membership Directory. We are also working to keep our News tab up to date. Going forward in 2022, we plan to use the News tab to keep you informed about legislative and regulatory developments when they happen, from both the State and federal level. The News tab will also be a place where NHANRS can post other news items that the members would find helpful to the practice of their discipline.

I also want to remind you of some of the benefits to being a NHANRS member:

- Discounted admission into NHANRS-sponsored workshops and events
- Representation and advocacy on wetland and natural resource policies at the local and state level
- Email notification of NHANRS' upcoming events
- Networking opportunities with colleagues and friends in your profession
- The Annual Conference, offering Continuing Education Hours beneficial to all disciplines
- Workshops on specific topics, offering Continuing Education Hours to maintain professional licenses and certifications

Please renew your dues! The success of your organization depends upon your financial commitment, which is an investment in your profession and ultimately your business. In order for NHANRS to continue to work on your behalf, we need your support. Please also tell your friends and colleagues about the benefits of membership in our organization.

For your convenience, I have enclosed a copy of the 2022 Dues Renewal Form. You can also find the renewal form and an on-line payment option on the Membership page of our website, <https://nhanrs.com/membership> .

If you have any questions, please contact our Administrative Assistant, Brian, at 603-224-0401 or [assistant@nhanrs.org](mailto:assistant@nhanrs.org). We look forward to supporting you in 2022!

Sincerely,

*Sarah*
